Dear Patient,

Thank you for choosing Rowe Neurology Institute Physical Therapy for your rehabilitation. We appreciate this opportunity to assist you in the management of your care.

Your appointment has been scheduled as follows:

Date: _____ Appointment Time: _____ Dr.: _____

What to bring on your first visit:

- Completed attached paperwork. **PLEASE ARRIVE 15 MINUTES PRIOR TO APPT TIME IF PAPERWORK IS NOT COMPLETED.**
- Comfortable clothes appropriate for your condition. (Shorts, athletic pants, walking/running shoes). You may be asked to change into a gown or shorts to allow for better evaluation of your condition.
- X-ray, MRI and/or CT scan reports (IF NOT ALREADY IN OUR FACILITY MEDICAL RECORDS).
- Your questions!

What to expect on your first visit:

- A comprehensive evaluation of your condition or injury by one of our licensed Doctors of Physical Therapy.
- An understandable and detailed explanation of your condition and how to facilitate your recovery.
- A thorough discussion of your role in your rehabilitation, including a home exercise program and advice on lifestyle changes.
- Recommendations for additional follow up visits, which may be scheduled at the check out desk. Our hours of operation vary, with convenient appointments starting between 7am and 5pm.
- One-on-one patient-therapist interaction, with the same therapist to ensure quality and continuum of care.

If you have any questions or concerns, please feel free to contact our institute at 913-894-1500 and we look forward to your visit.

Sincerely,

The Rowe Neurology Institute Physical Therapy Department
